

COMMERCIAL LIGHTING

Decorative light fixtures for architectural projects provide special challenges and offer the opportunities for unique design and custom manufacturing solutions. Lusive offers:

**CUSTOMIZATION:**

- Made to order designs customized to fit the exact specifications for any venue.

**LAMPING:**

- Standard or performance lamping options available, with energy efficient, LED and JA8 compliant lamping offered.

**CONTROLS:**

- Lighting control solutions with knowledge of the latest programmable dimming control interfaces.

**CODE COMPLIANCE:**

- A focus on providing coordinated local building code compliant lighting solutions.

**SITE COORDINATION:**

- Coordination with on-site operations and project management.

**CONSULTATION:**

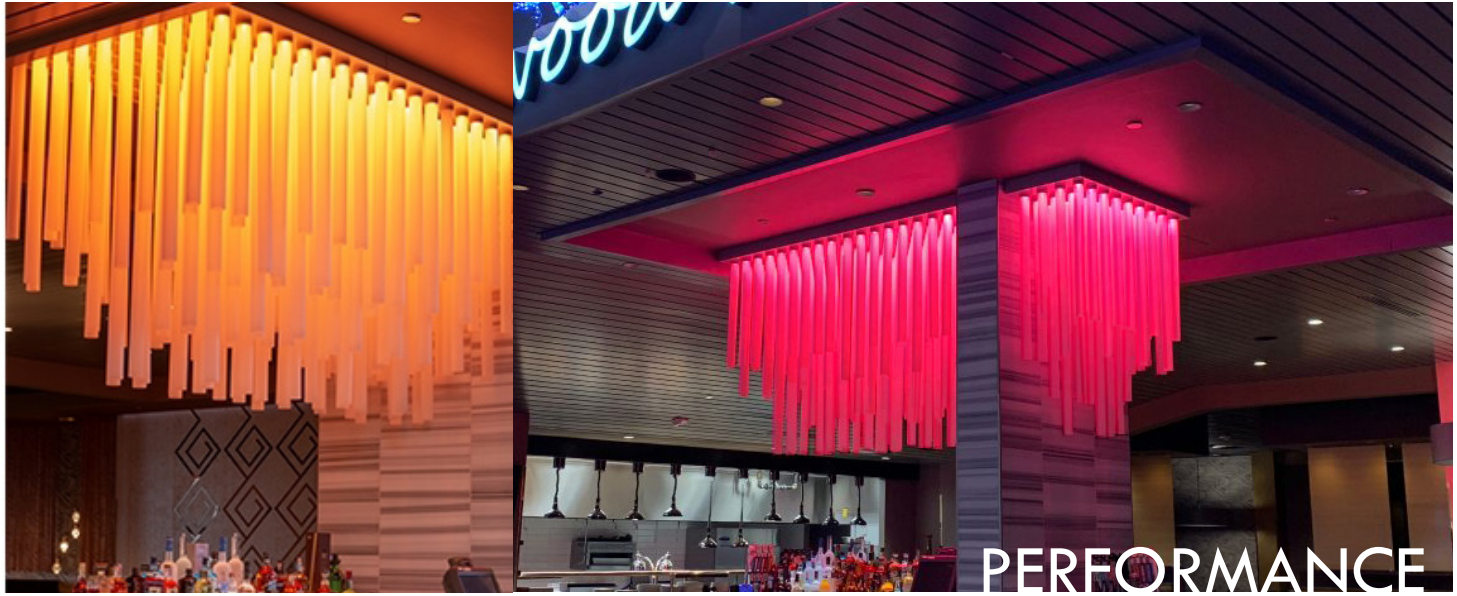

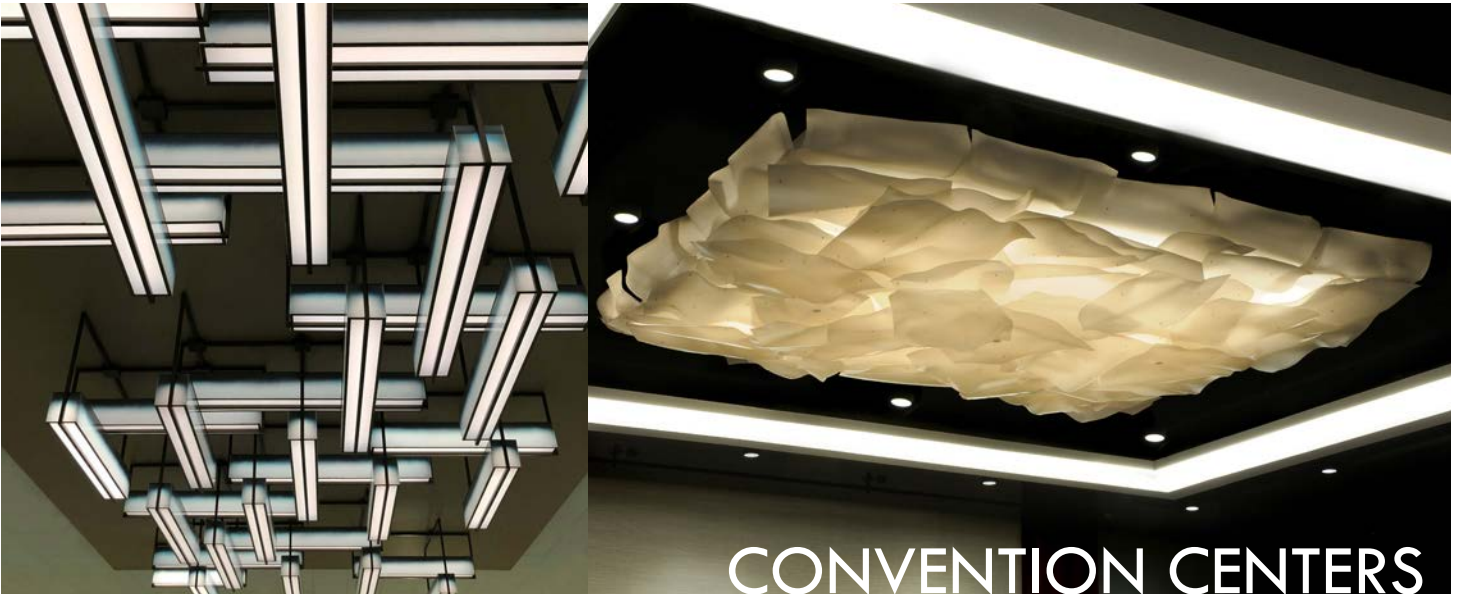

- Extensive support through design development to installation - and all the steps in between.

## COMMERCIAL LIGHTING

## LIMITLESS LIGHTING

At Lusive we are proud to have built a reputation as the go to team for designers and architects when they are creating custom lighting for captivating corporate features, unique hospitality experiences, and statement retail and shopping mall solutions.

Our studios of designers, CAD engineers and project coordinators work closely with designers, architects, lighting consultants and developers on a myriad of project types. Our team's ability to coordinate design, engineering and installation - coupled with a knowledge of all lamping and code requirements - make us the ideal partner to answer the various challenges of a variety of installations.
