### LUSIVE KNOWS LIGHTING

The Lusive Contract Division specializes in the custom hotel lighting needed for today's hospitality industry. With 15 years supporting Designers, Purchasers and Owner's Representatives, Lusive knows the importance of executing a truly memorable guest experience with light.

Through a combined knowledge of 100+ years, our in-house architectural lighting designers and experienced design and engineering team understand the importance of integrated technology and contract quality, flicker-free dimming that can enhance each guest's individual experience while assisting with the buildings overall performance and efficiency.

Lusive offers completely customizable lighting designs with no minimum or maximum quantity order. From Lobby to Penthouse, from Model Room to Guestroom, we deliver an impeccable product on time and on budget!
